BG Обща информация

Преди монтаж проверете всички части. Монтажът и обслужването трябва да бъдат извършени внимателно и професионално.

CS Obecné informace

Před instalací zkontrolujte, zda máte k dispozici všechny potřebné díly. Instalaci a servis je nutno provádět pečlivě a odborně.

DA Generelt

Kontroller, at alle dele er til stede inden montering. Montering og service skal udføres på en grundig og professionel måde.

DE Allgemeines

Vor der Installation sind sämtliche Teile zu identifizieren. Installations- und Wartungsarbeiten müssen sorgfältig und fachmännisch erfolgen.

EL Γενικά

Εντοπίστε όλα τα εξαρτήματα πριν από την εγκατάσταση. Η εγκατάσταση και το σέρβις πρέπει να πραγματοποιούνται προσεκτικά και επαγγελματικά.

EN General

Identify all parts before installation. Installation and service shall be carried out carefully and professionally.

ES General

Identifique todos los componentes antes de proceder al montaje. La instalación y el mantenimiento deben llevarse a cabo con atención y profesionalidad.

ET Üldist

Enne paigaldamist määratlege kõik osad. Paigaldamine ja hooldus tuleb teha hoolikalt ja professionaalselt.

FI Yleistä

Tunnista kaikki osat ennen asennuksen aloittamista. Asennus ja huolto on suoritettava huolellisesti ja ammattimaisesti.

FR Généralités

Identifiez toutes les pièces avant le montage. Les travaux de montage et d'entretien doivent être effectués de manière soignée et professionnelle.

HU Általános tudnivalók

A telepítés előtt azonosítsa az összes alkatrészt. A telepítést és a szervizelést gondosan és szakszerűen kell elvégezni.

IT Generalità

Identificare tutti i componenti prima di procedere all'installazione. Le attività di installazione e manutenzione devono essere eseguite con cura e in modo professionale.

JA 一般注意事項

取り付け前に、すべての部品を確認してください。取り付けとサービスは、専門知識を持った人が慎重に行ってください。

LT Bendra

Prieš montuodami nustatykite visas dalis. Montavimas ir techninė priežiūra turi būti atliekami kruopščiai ir profesionaliai.

LV Vispārēja informācija

Pirms uzstādīšanas nosakiet visas daļas. Uzstādīšana un apkalpošana ir jāveic uzmanīgi un profesionāli.

NL Algemeen

Controleer vóór installatie of alle onderdelen aanwezig zijn. Installatie en service moeten zorgvuldig en professioneel worden uitgevoerd.

PL Informacje ogólne

Przed przystąpieniem do montażu należy sprawdzić, czy nie brakuje żadnego z elementów. Czynności montażu i konserwacji muszą być prowadzone starannie i w sposób profesjonalny.

PT Geral

Identifique todas as peças antes da instalação. A instalação e o serviço devem ser realizados com cuidado e profissionalismo.

RO Generalități

Identificați toate piesele înainte de instalare. Lucrările de instalare și service trebuie efectuate cu atenție și profesionalism.

RU Общая информация

Перед установкой идентифицируйте все компоненты. Работы по монтажу и техническому обслуживанию следует выполнять аккуратно и профессионально.

SK Všeobecné

Pred inštaláciou identifikujte všetky diely. Inštalácia a servisná údržba sa musia vykonávať starostlivo a odborne.

SL Splošno

Pred namestitvijo spoznajte vse dele. Namestitvev in servis je treba izvesti skrbno in strokovno.

SV Allmänt

Identifiera alla delar före montering. Montering och service skall utföras noggrant och fackmannamässigt.

TR Genel

Kurulumdan önce tüm parçaları gözden geçirin. Kurulum ve servis, dikkatli ve profesyonel bir şekilde gerçekleştirilmelidir.

ZH 一般注意事项

安装前确认所有部件。安装和服务应仔细、专业地进行。
